

FOR IMMEDIATE RELEASE

24th June, 2026

**MINISTRY OF FOOD AND AGRICULTURE TO LAUNCH THE 42ND FARMERS' DAY
CELEBRATION**

The Ministry of Food and Agriculture is pleased to invite Corporate Ghana, Development partners, Donor Agencies, Financial institutions, Agribusinesses and other key stakeholders to the official launch of the 42nd National Farmers' Day Celebration.

The launch will take place on Tuesday, 30th June 2026, at 10:00 am at the forecourt of the Ministry in Accra.

For over 40 years, the National Farmers' Day Celebration has been Ghana's major platform for recognizing and celebrating the hard work, innovation and contribution of farmers, fishermen, agricultural worker, agribusinesses, researchers and institutions that continue to drive the growth of the agricultural sector .

This launch would officially kick-start activities leading to the 2026 national celebration. The Ministry will unveil the theme for the 42nd edition, announce the host region, outline the programme of activities and provide details on award categories and other key arrangements.

The event will also highlight sponsorship and partnership opportunities for valued organizations interested in supporting Ghana's agricultural development agenda. It offers a valuable platform for stakeholders to engage directly with the Ministry and explore areas for collaboration towards a successful and impactful celebration.

As Ghana continues to pursue sustainable agricultural growth, food security, job creation and value addition, the Ministry recognizes the important role played by the private sector and development partners. Your support does not only honor the efforts of farmers and value chain actors but also contributes to building a stronger and more resilient agricultural sector.

The Ministry therefore encourages all organizations and partners to attend the launch and take advantage of the opportunities for engagement and partnership.

Together, let us celebrate the individuals and institutions whose efforts continue to feed the nation and drive agricultural transformation in Ghana.
